Notice of Postponement of Start Date for Saturday Korean Language School

1. Postponment of start date (N·K·E·M)

구분	before	after	비고
start date	7th Mar 2020 (Sat)	14th Mar 2020 (Sat)	

※ There will be a class on 2nd May 2020(Sat) which was originally school holiday.

2. Please do not come to school and inform the class teacher if..

- 가. the student has been to any restricted countries stated by Singapore government
- 나. someone living with the student has been to any restricted countries stated by Singapore government
- 다. the student has fever or any respiratory symptoms

3. We need your cooperation

- 가. We advise the parent and the student to wear a mask when coming to school.
- 나. Please inform your class teacher if any family member or relatives or someone who is close to the student has been reported to be infected, and see the doctor immediately.
- 다. We will measure the student's temperature and if the temperature is higher than 37.5, the student will be sent home.
 - School bus: We will check temperature before boarding the bus.
 - Car, Private bus: We will check temperature at certain parts of our school. You cannot alight from the car if your temperature is higher than 37.5℃.
 - On foot : We will check your temperature at the school gate before you enter.
- 라. Please do not come to school if you have fever or respiratory symptoms, even if you have not been to any countries outside of Singapore.
- 마. Please understand that parents are not allowed to board on the school bus nor come into the school.
- 바. We will close the Canteen and Library every Saturday in March only.
- 사. Please hold onto your mobile phones while your child is in class as we might need to contact you during class time if the student shows any signs of fever or respiratory symptoms.

We appreciate your cooperation in advance.
