Online Class Implementation Notice

Dear Parents, We wish all of you stay healthy in this difficult situation.

On 16th May 2021, Ministry of Education announced that 「**All centre-based tuition and enrichment classes must move activities online till the end of Phase 2 (Heightened Alert). This is necessary to reduce the intermingling of students from different schools and enhance the safety of our students. These measures will hold until end of Phase 2 Heightened Alert or further notice.**」

SKIS Saturday Korean Language school will be scheduled to shift our educational system from face-to-face to online class(full home-based learning) under the government guidelines.

- ◆ (Date) Saturday, 22 May 2021 ~ Saturday, 12 June, total 4 times
 - ※ Date is subject to change in regards to Singapore Government Guideline
- ◆ (Method) Real Time Online Video Class (through ZOOM)
 - ※ Details of home-based learning and learning materials will be informed separately per grade of all pre-school, primary and secondary schools.

Based on the online class experience conducted during last year's circuit breaker, Saturday School plans to do its best to educate and manage students.

Please guide students at home to refrain from unnecessary external activities and make full efforts to manage personal hygiene during this online classes period.

We appreciate your kind understanding and cooperation.
