Online Class Implementation during Stabilisation Period

Dear Parents,

We wish all of you are staying healthy in this difficult situation.

On 24-25 September 2021, Singapore Government(MOH, MOE, and CPE etc) announced tightening of safe management measures to allow for better stability -strictly segregating children by class and ensuring that there is no mixing or combining of children across classes, as well as shifting to full home-based learning during stabilisation period amid a rise of COVID-19 cases in Singapore.

SKIS Saturday Korean Language school will be scheduled to shift our educational system from face-to-face to online class(full home-based learning) under the government guidelines as below.

- ◆ (Date) Saturday, 2 October ~ Saturday, 9 October 2021, total 2 times
 - ※ Date is subject to change in regards to Singapore Government Guidelines
- ◆ (Method) Real Time Online Video Class (through ZOOM)
 - ※ Details of home-based learning and learning materials will be informed separately per grade of all pre-school, primary and secondary schools.

Based on the online class experience conducted during last year's circuit breaker, Saturday School plans to do its best to educate and manage students.

Please guide students at home to refrain from unnecessary external activities and make full efforts to manage personal hygiene during this online class period.

We thank you for your cooperation in advance.

29th September 2021

Principal, SKIS Saturday Korean Language School
