Opportunity to prepare for MUN 1st Round Essay Competition

15th July, 2024

Dear Parents,

We would like to kindly remind you of the upcoming English Essay Competition in the second semester, which will give students a chance to advance to the second round of the MUN competition as well as give awards to the top 20% students. However, due to the school trip to Australia that will take place from August 26th to 29th, there is a slight change to the date of the essay competition. **The new date is 21st of August, Wednesday.** In order to prevent clashing with the preparation of the school trip, we have decided to bring forward the 1st Round essay competition date. Through the following scaffolding, I believe your children will succeed in the essay competition and win an award.

Two steps to prepare and train students for the 1st Round essay competition:

1. Brainstorming and Pre-education:

We have designated two class periods from July 15th-19th for viewing an educational video regarding waste pollution and learning about the method and structure of writing a problem solution essay. So, students are given tips on how to write the essay along with a sample essay to refer to.

2. Provision of feedback on practice essay:

1) Students who successfully participate in this optional assignment will also receive special prizes from the International Department.

2) The deadline of submission will be 13th of Aug (11:59pm)

(*See the attachment for details on how to submit.)

We hope to seek your kind understanding in this change of date. Thank you for reading this letter and we hope you will have an eventful summer break!
